

Saint-Cloud Way Regeneration

Thank you for visiting our public exhibition detailing our initial plans for the future of Saint-Cloud Way. Countryside, in partnership with the Royal Borough of Windsor & Maidenhead, will be redeveloping Saint-Cloud Way as part of a wider plan to upgrade the town. Your views, comments and aspirations for this area are welcomed and will help inform our final proposals.

1) What is your experience of the Saint-Cloud Way site, do you access the site regularly and if so for what purpose?

2) What do you believe the key regeneration priorities for the town centre should be?

And more specifically for Saint-Cloud Way?

3) Saint-Cloud Way sits to the north of the town centre between Kidwells Park and The Moor. The proposals currently envisage creating an accessible cycle and walking link between these two green areas. Would you be likely to use the new link for:

Cycling	<input type="checkbox"/>
Walking	<input type="checkbox"/>
Neither	<input type="checkbox"/>

4) Do you have any other comments or suggestions for these early Saint-Cloud Way proposals?

PLEASE RETURN YOUR QUESTIONNAIRE BY FRIDAY 10 AUGUST 2018 TO:

Maidenhead Town Manager, Town Hall, Park Street, Maidenhead, SL6 1RF or post to Viv Onslow, Oracle Group, Aqua House, 30-32 High Street, Epsom, Surrey, KT19 8AH

About you (Please tick relevant boxes)
